Review of Alphington North Precinct – Questionnaire

1. **Amendment C108**, in part, sought to introduce a permanent Heritage Overlay (HO) to the Alphington North Precinct based on the recommendations of the Darebin Heritage Study.

   Did you make a submission, sign a petition or fill out a form letter when Amendment C108 was exhibited January-March 2011? (please circle one)

   Yes / No

2. The **Alphington North Review** recommends the boundary of the proposed Alphington North Precinct (as exhibited with Amendment C108) be reduced to affect properties in the area of Naroon and Toolangi Roads and the northern part of Shiers Street. This recommendation would mean that all properties outside these two areas would then be removed from the interim Heritage Overlay.

   Do you support, oppose or seek changes/clarification to these recommendations? (please circle one)

   - Support the revised Alphington North Precinct or
   - Oppose the revised Alphington North Precinct or
   - Seek further changes or clarification (if so, please detail below).

3. Do you have any comments to make (in addition to any submission you may have made about Amendment C108) about the Review and heritage protection in Alphington North? (please attach more paper if required)
