Darebin Council's Immunisation Service makes it easier for you to look after the health and wellbeing of your employees.

We offer workplaces:

- The convenience of an onsite workplace immunisation visit to suit your needs and timing
- Two Division 1 Registered Nurses with accredited Nurse Immuniser qualifications
- The ability to cater for both small and large groups, repeat visits and multiple workplace locations
- Flexible payment options - credit card or invoice
- A complete list of employees immunised by our service for your Occupational Health and Safety records
- An individual employee online booking system to help coordinate bookings on-the-day and reduce waiting times
- \$400m public liability and professional indemnity insurance

Four good reasons to to have the flu vaccine

- 1 The flu is highly contagious - the best protection is immunisation
- 2 A workplace flu program can reduce absenteeism
- 3 Avoid spreading the flu within your workplace as well as protecting your family and friends (including infants and elderly)
- 4 You can't get the flu from the flu vaccine

More Information

In addition to the flu vaccine we offer Hepatitis A and B, Whooping Cough and Tetanus boosters (additional fees apply).

Staff who are absent on the day of the workplace visit can attend any of our public immunisation sessions. We will invoice the workplace directly.

As an alternative to our service visiting your workplace, staff can attend any of our public immunisation sessions. The cost to receive the flu vaccine at one of these sessions is \$20.00.

Visit darebin.vic.gov.au/immunisation for our public immunisation session timetable.

The flu vaccine is most effective when administered before the onset of flu season.

No. of Staff	Fee (Flu Vaccine Only)
1-20 staff	\$450 flat fee
21+ staff	\$22 per person
