# PAID SERVICE FOOD WASTE AND COFFEE GROUNDS RECYCLING OPTIONS

## PAID SERVICE

### COMPOST COLLECTORS

Your coffee grounds and other organic waste can be collected twice a week, bins provided.

Average cost of is \$12 per pick up of 1 x 120L bin, \$16 x 240L bin, \$24 x 660L, \$45 x 1100L. Cost of bin hire included in this price, however a one off fee of \$16 per lock per bin is charged. Bins need to be put to kerbside for collection.

[compostcollectors.com.au](http://compostcollectors.com.au)

## PAID SERVICE

### WASTE NINJA

Your coffee grounds and other organic waste can be collected \$19 per pick up of 1 x 120L bin and \$22 per pick up of 1 x 240L bin, plus a \$5 monthly bin hire. Daily pick ups available.

[wasteninja.com.au](http://wasteninja.com.au)

## PAID SERVICE

### VEOLIA COLLECTION

Your coffee grounds and other organic waste can be collected weekly, bins provided.

[veolia.com/anz/our-services/recycling-waste-services/recycling/organics](http://veolia.com/anz/our-services/recycling-waste-services/recycling/organics)

## PAID SERVICE

### ON-SITE WORM FARM

You put your coffee grounds (and organic waste if you want to) into your own worm farm stored on your property. You manage your worm farm and either use liquid worm fertiliser and castings at your business or staff's gardens, or make it available to customers.

The businesses participating in our worm farm trial recommend using the Hungry Bin Worm Farm. This worm farm costs approx. \$340 plus worms.

[wormlover.com.au](http://wormlover.com.au)

## PAID SERVICE

### REGROUND

Your coffee grounds can be collected, bins provided. Soft plastics can also be collected. Waste education, audits, reporting and staff workshops are also provided as part of this program and coffee grounds are delivered to home gardeners or community gardens. Costs are based on a monthly subscription and determined according to how many bins and pick-ups you require.
