

CIRCLE OF SECURITY 2019

Darebin Family Support Services is running a free group for parents of children aged 0-8 years.

This program will;

- > Help you understand your child's emotional needs
- > Strengthen your attachment and relationship with your child
- > Give you knowledge to better respond to your child's needs
- > Help you reflect on your current parenting practices

Research shows that children who are in a secure relationship enjoy more happiness with their parents, solve problems on their own, get along better with friends, feel less anger at their parents, have higher self esteem, and do better at school.
