

CIRCLE OF SECURITY GROUP 2018

Darebin Family Support Services are running a group for parents of children aged 0 - 8 years in Term 2.

This Program Will:

- o Help you understand your child's emotional needs
- o Strengthen your attachment and relationship with your child
- o Give you knowledge to better respond to your child's needs
- o Help you reflect on your current parenting practices.

Research shows that children who are in a secure relationship enjoy more happiness with their parents, solve problems on their own, get along better with friends, feel less anger at their parents, have higher self esteem, and do better at school.
