Let’s PLAY in Reservoir East!

1. **Perform** a play on these platforms.
2. **Listen** for the sound of birds and frogs along the creek.
3. **Make** a mud kitchen in your backyard.
4. **Jog** and ride and run around the track. Keep it going. You can do it!
5. **Sit** under a tree. The branches go up so high. Imagine how deep the roots go down...
6. **Dive** and splash in the cool pool water.
7. **Write** a story you made up yourself.
8. **Clap** and stomp and sing. Music makes us move!
9. **Feel** the wind on your face, the rain on your hands. Ball play is everyday!
10. **Invent** a machine using old cardboard boxes and string.
11. **Gaze** at this big colourful mural on the wall.
12. **Whoop** and laugh as you swing up high.
13. **Bounce** on a trampoline, bounce a ball, bounce yourself down the hall.
14. **Skip** stones and jump onto a chalk hopscotch game.

**Thanks to:** all the children, staff and families of the many Primary Schools, Kindergartens, Childcare Centres and playgroups in Darebin who participated in this project; joining in play sessions, drawing pictures of their favourite places to play and sharing their stories.

**The Place to Live:**
