City of DAREBIN
the place to live
The lower speed limit will make your area an even greater place to live.

Darebin Council is committed to reduce the speed limit on residential streets to 40km/h across 30% of the municipality. This will create safer and more inviting neighbourhoods for people of all ages who are walking, riding or driving.

The new 40 km/h speed zone signage is expected to be installed in September 2017.
