

Hard Waste Brochure

DAREBIN RESOURCE RECOVERY CENTRE

**Kurnai Avenue (off Henty Street), Reservoir
Melway Map Reference: 18 C6**

The Darebin Resource Recovery Centre accepts rubbish which is not suitable for regular household waste collection. The centre is a permanent Detox your Home facility and provides free recycling for a number of items.

Opening Hours
8am to 3.30pm, 7 days a week (except Christmas Day, Boxing Day, New Year's Day, Good Friday and Anzac Day, Christmas Eve closed at 11:00 am).

The Centre is subject to closure during strong windy conditions. Please telephone and check prior to arrival.

What Can I Dispose of at the Centre?

- General hard waste
- Green waste (please keep separate from other waste)
- Scrap metal and tyres
- Mixed rubble, clean concrete and timber
- Clothing

Recyclable materials accepted free-of-charge include:

- Car and household batteries
- Gas bottles and fire extinguishers
- Motor and cooking oil
- Glass and plastic containers
- Paper and cardboard
- Aluminium cans and milk and juice cartons
- Computers and computer accessories (monitors, printers, keyboards etc.)
- Polystyrene up to 1 cubic metre (no bean bag filling)
- Light globes
- Metals (clean without other material attached)

Charges
Charges apply and will vary depending on the type of material. These charges are priced by the load.

CITY OF DAREBIN

Collection in your area will occur the week commencing:

RESIDENTIAL HARD WASTE COLLECTION 2012

In 2012, Council is introducing an area-based hard waste collection service to replace the booked service provided in previous years. The change in the way the service is delivered will provide residents with greater access to the service.

The new service also collects items for recycling such as metals and mattresses. These items must be stacked separately on the nature strip and may be collected on separate days from the hard waste.

If your items are in good condition, consider donating them to a local charity.

Total material placed out should not exceed one cubic metre.

- All materials must be ready by 6am on the date shown on the front page of this brochure and maintained in separate piles on your nature strip until picked up.
- Unauthorised professional removal of hard waste from the nature strip is theft. Please report offences of professional scavenging to Council on 8470 8888.
- Material placed out late will not be collected.
- Clear access is required to your nature strip.
- Do not park your car or visitors' cars next to your waste prior to collection

HARD WASTE/METAL COLLECTION REQUIREMENTS:

- a maximum of one cubic metre
- all items must be able to be safely lifted to shoulder height by two persons
- all items must be no longer than 1.5m (5 ft) in length.

Hard waste collection includes:

- Household furniture, toys, plant pots, crockery, small electrical appliances
- Mattresses and bed bases – any size (limit of two mattresses/bed bases per property)
- Timber – 12 pieces neatly stacked and no longer than 1.5 metres
- Carpet (up to three rolls)
- Mirrors / windows securely wrapped in cardboard and marked "glass"

Metal waste includes:

- Scrap metal (no longer than 1.5 metres)
- Small car parts, lawn mowers, tools
- Whitegoods such as fridges, freezers, washing machines, clothes dryers and dishwashers can be collected free year round via the Phoenix Program.

Please call 1300 366 283 to arrange a booking.

These items can also be included in the hard waste collection but fridge doors must be removed before being placed on nature strip.

TVs and computers collected in the hard waste collection will not be recycled. Computers can be recycled free at Darebin Resource Recovery Centre.

- Empty paint tins (lids off)
- Small electrical appliances

NON ACCEPTABLE MATERIAL:

Hard waste collection items that will not be collected include:

- Renovation or building materials including plasterboard, cement sheeting, rubble, bricks, concrete, asbestos of any type, fencing and soil
- Car bodies • Coil springs • Tyres
- Batteries • Gas bottles • Liquid waste
- Chemicals • Oils and paint • Household waste
- Garden waste • Tree prunings
- Unwrapped or broken glass
- Material that can be disposed of in the recycling collection service
