Dear Owner / Occupier

**Re: SAFE TRAVEL PROPOSAL – NEW RAISED SCHOOL CROSSING ON CLYDE STREET**

Council is currently undertaking various traffic management programs to improve road safety and pedestrian environment around the municipality. As part of the Safe Travel program, Council is investigating the installation of a raised school crossing on Clyde Street in Thornbury to improve accessibility to Wales Street Primary School.

Works may include:

- Construction of a new raised school crossing on Clyde Street near Wales Street
- Amendments to the kerb alignments to minimise the crossing distance
- Removal of five 90 degree angle parking bays adjacent to Wales Street Primary School.
- Removal of two on street parking spaces outside property number 49 Clyde Street
- Associated line-marking and signage appropriate at a raised school crossing

A draft plan of the proposed works is attached for your information.

Should you have any queries or comments, please contact me on [allan.middlemast@darebin.vic.gov.au](mailto:allan.middlemast@darebin.vic.gov.au) or 8470 8286 by Friday 28 November 2014.

Yours sincerely

**Allan Middlemast**
