TOY LIBRARY

Sustainable borrowing of a wide-range of toys and equipment for families with children aged 3 months to 6 years.

FAMILIES, YOUTH AND CHILDREN

TOY LIBRARY

TOYS AND EQUIPMENT

For an annual membership fee Toy Library provides members with a range of toys and equipment that families can borrow for children aged between three months and six years.

GENERAL INFORMATION

The Toy Library provides families with babies and preschool children an opportunity to borrow age appropriate toys and equipment to enhance play for a minimal fee. Toy Library members can support sustainable practice by being involved in the community sharing of resources and choosing to borrow, rather than buy toys, which reduces toy waste going to landfill.

- Three toys can be borrowed for each child with a Family, Concession, Student and Grandparent membership
- Six toys can be borrowed for Group membership
- The borrowing period is four weeks
- Loans can be extended via email or phone
- Late returns will be charged \$3.30 per items per week
- Toys and equipment are to be cleaned prior to return

MISSING PIECES OR BROKEN TOYS

Please advise Toy Library staff of any missing or broken pieces. Missing pieces usually turn up so please return these when they are found. Normal wear and tear of equipment can happen. Toy Library staff will organise the repair of any minor damage to toys or equipment.

In the event of continual breakages or loss of toys and equipment, a fee may be incurred to cover the cost of repairing and replacing items.
