**Please Remember:**

- Please ensure dogs are on-lead within 5 metres of shared paths
- Dogs must be on-lead when approaching the off-lead area, including any carparks
- Please consider other park users and ensure that dogs are kept under effective control
- Please restrain your dog if asked and do not allow it to become a nuisance to others
- This map reflects the current off - lead arrangements and will be updated from time to time
- Dogs may access a creek if in an off-lead area
- Please minimise any disturbance to creek banks and creatures who live here
