

DAREBIN SUPPORTED PLAYGROUPS

Supported Playgroups are funded by the Victorian Department of Health and Human Services (DHHS), and includes the smalltalk parenting program.

- Are you the parent or carer of a child aged 0-4 years?
- Are you looking for quality play experiences for your child in your local community?
- Would you find extra parenting information and resources useful?
- Would you like to connect with other families in your community?

Darebin City Council delivers 10 supported playgroups at different community venues across the municipality during school terms.

All playgroups are facilitated by a qualified supported playgroup facilitator.

Facilitators provide a range of play experiences for children and their parents and carers to enjoy together in a relaxed and informal environment.

Facilitators also provide information and resources on raising healthy children and navigating parenting challenges.

Some participating families are also eligible for in-home parenting coaching.

ELIGIBILITY CRITERIA APPLIES AND PLACES ARE LIMITED.
