

FOOD WASTE RECYCLING

the place
to live

From 7 October 2019, you can use your existing green waste bin to recycle food waste.

Food waste collected from your home will be turned into valuable compost, used by farmers and in parks and gardens across Victoria.

Please see the list below for what can and cannot go in your food and green waste bin.

For more information visit www.darebin.vic.gov.au/FoodWaste or call Council's Multilingual Telephone Line on 8470 8470 to discuss food waste recycling in your language.
