Dear Ms Mitchell

RE: Residential Zones Standing Advisory Committee Stage 2 - City of Darebin Participation

I refer to the Minister for Planning's Residential Zones Standing Advisory Committee (RZSAC) and the recent extension of the RZSAC Terms of Reference to Stage 2.

Council wishes to register its interest in participating in the Residential Zones Standing Advisory Committee (RZSAC) Stage 2.

Council recently considered a report outlining opportunities for applying the Residential Growth Zone in Darebin through this process. The resolution achieves:

- In-principle support for application of Residential Growth Zone in nominated areas.
- Commencement of a program of work to prepare a planning scheme amendment with further resolution to be sought from Council prior to exhibition.
- Commitment for Council to be in a position to commence the notification period by 07 October 2014.

A copy of the Council resolution is enclosed for your convenience.

Council officers will liaise with your Department to make the necessary arrangements regarding participation in the RZSAC.

If you have any queries regarding this matter please contact Gilda Di Vincenzo from Strategic Planning on 8470 8399.

Yours Sincerely,

Darren Rudd
Manager – City Development
