Dear Eva,

**RE: Reservoir Laneway Proposal.**

On behalf of the Reservoir Traders Association which represents 92 retail and commercial businesses within the Reservoir Village retail precinct, we wish to advise of our full support of your application for the proposed design improvements to the laneway adjacent to the Reservoir Civic Centre.

The project which intends to deliver streetscape and amenity improvements to this area will be most welcome by the businesses in the Village, as it will help activate what is now an unappealing location turning it into a safe, aesthetically pleasing and welcoming part of the Village and for the wider Village shopping community.

It would also serve as an opportunity for the traders in this area to look at ways of doing better business, by activating the rear of their businesses and addressing the visual presentation of their premises.

Also the idea of adding CCTV cameras in the area is a great idea and has the traders and my full support.

We commend Darebin City Council for the proposal and fully support this great initiative.

Yours sincerely,

*Nick Mylonas*
