1. POLICY OBJECTIVES

Councillors are elected to provide leadership for the good governance of the municipal district and the local community.

The objective of this policy is to establish the resources, facilities and administrative support to be provided to Councillors of Darebin City Council. It provides for Councillors to have out-of-pocket expenses, incurred while performing their official duties as a Councillor, either reimbursed or paid direct by the Council.

The policy also provides guidelines for Councillors on the process for claiming expenses and outlines the methods and standards for reporting and accountability.

2. LEGISLATIVE FRAMEWORK

This policy has been set out in accordance with Part 2 (Councils), Division 6 (Entitlements), Clauses 39 – 43 of the *Local Government Act 2020* (The Act).

Clause 39 – Allowances for Mayors, Deputy Mayors and Councillors

A Mayor, Deputy Mayor or a Councillor is entitled to receive from Council an allowance in accordance with a Determination of the Victorian Independent Remuneration Tribunal under the *Victorian Independent Remuneration Tribunal and Improving Parliamentary Standards Act 2019*.

A Mayor or a Deputy Mayor is not entitled to receive an allowance as a Councillor while the Mayor or Deputy Mayor is receiving an allowance as a Mayor or a Deputy Mayor.

A Council cannot pay an allowance to a Mayor, Deputy Mayor or Councillor that exceeds the amount specified in the relevant Determination of the Victorian Independent Remuneration Tribunal under the that Act.

A Mayor, Deputy Mayor or Councillor may elect to receive the entire allowance to which they are entitled, or to receive a specified part of the allowance to which they are entitled or to receive no allowance.

Clause 40 – Reimbursement of Expenses of Councillors and members of a Delegated Committees

A Council must reimburse a Councillor or a member of a delegated committee for out-of-pocket expenses which the Council is satisfied –

- a) Are bona fide expenses.
- b) Have been reasonably incurred in the performance of the role of Councillor or member of a delegated committee.
- c) Are reasonably necessary for the Councillor or member of a delegated committee to perform that role.

Council must provide details of all reimbursements under this section to the Audit and Risk Committee.

Clause 41 – Council Expenses

Council must adopt and maintain an Expenses policy in relation to the reimbursement of out-of-pocket expenses for Councillors and members of delegated committees. A policy adopted by a Council under this section must –

- a) Specify procedures to be followed in applying for reimbursement and in reimbursing expenses.
- b) Comply with any requirements prescribed by the regulations in relation to the reimbursement of expenses.
- c) Provide for the reimbursement of childcare costs where the provision of childcare is reasonably required for a Councillor or member of a delegated committee to perform their role.
- d) Have particular regard to expenses incurred by a Councillor who is a carer in a care relationship within the meaning of Section 4 of the *Carers Recognition Act 2012*.

Clause 42 – Resources and Facilities for the Mayor and Councillors

Council must make available to the Mayor and Councillors the resources and facilities reasonably necessary to enable them to effectively perform their role. Council must:-

- a) Consider the support that may be required by a Mayor, Deputy Mayor or Councillor because of a disability.
- b) Have particular regard to the support that may be required by a Councillor who is a carer in a care relationship within the meaning of section 4 of the *Carers Recognition Act 2012*.

Clause 43 – Indemnity Provision

A Council must indemnify and keep indemnified each Councillor, member of a delegated committee and member of a Community Asset Committee against all actions or claims whether arising during or after their term of office in respect of anything necessarily done, reasonably done or omitted to be done in good faith:-

- a) In the performance of a duty or a function or the exercise of a power under this Act, the regulations or a local law or any other Act.
- b) In the reasonable belief that the act or omission was in the performance of a duty or a function or the exercise of a power under this Act, the regulations or a local law or any other Act.

3. PRINCIPLES

This policy has been prepared on the basis of the following principles:-

3.1. Council Integrity

Part 6 Council Integrity – Division 1 - Improper Conduct in the Act outlines a range of actions of the Councillor or member of a Delegated Committee that would constitute misuse of position. These include the *'using of public funds or resources in a manner that is improper or unauthorised'* (Section 123). This policy provides direction and clarification to Councillors to ensure that public resources are used prudently and solely in the public interest.

3.2. Encouraging Diversity in Participation, Equity and Access

This policy encourages participation in the local government democratic process as it ensures that Councillors, in the performance of their duties:-

- Will be supported in their role; and
- Will not be financially or otherwise disadvantaged.

Reimbursement of expenses and the provision of resources / facilities / support shall be applied in a non-discriminatory and equitable manner to cater for the full participation of all Councillors in Council business and with their communities, while also recognising individual needs and circumstances. Councillors work with a wide range of constituents and need to be accessible and stay informed.

3.3. Accountability and Transparency

The Act (Section 40) provides that a Council must reimburse a Councillor or a member of a delegated committee for out of pocket expenses which the Council is satisfied:-

- Are bona fide expenses.
- Have been reasonably incurred in the performance of the role of Councillor or member of a delegated committee.
- Are reasonably necessary for the Councillor or member of a delegated committee to perform that role.

It is not appropriate for Councils to provide for general expenses and / or allowances that are unrelated to actual expenses incurred and which could be designed to supplement Councillors' annual allowances entitlements.

Councillors shall only receive reimbursement for expenses when the expense, resource and facilities support are identified in this policy and are adequately substantiated.

The overriding principle is that the reimbursement of expenses and the details and range of benefits provided to the Mayor and Councillors by the Council should be clearly stated, fully transparent and acceptable to their local community.

3.4. Reasonableness and Appropriateness

This policy should ensure that Councillors are reimbursed adequately for expenses reasonably incurred in the performance of their role as a Councillor. It is acknowledged that incidental private use of Council resources and facilities may occur from time to time and that such incidental private use is not required to be reimbursed by the Councillor.

Substantial private use shall be reimbursed by the Councillor and is specifically addressed in Section 6.5 of this policy.

3.5. Separation

It is a principle that an expense reasonably incurred by Councillors in the performance of their duties and the provision of resources and facilities that support Councillors to perform their duties is separate to the provision of the annual Councillor Allowance. Councillors shall not be disadvantaged or asked to subsidise their expenses from the annual Councillor Allowance.

4. DUTIES AS A COUNCILLOR OR MEMBER OF A DELEGATED COMMITTEE

‘Duties as a Councillor or member of a Delegated Committee’ means duties performed by a Councillor or a member of a delegated committee that are necessary or appropriate for the purposes of achieving the objectives of a Council, having regard to any relevant Act, regulations, Ministerial guidelines or Council policies.

Duties of a Councillor or member of a delegated committee will therefore include, but not be limited to, attendance at:-

- Meetings of the Council or its delegated committees.
- Briefing sessions, workshops and civic or ceremonial functions convened or scheduled by the Council or the Mayor.
- Meetings of community groups, organisations and statutory authorities to which a Councillor or member of a delegated committee has been appointed as Council representative.
- A meeting, function or other official role as a representative of the Council, delegated committee or the Mayor.
- Other meetings, inspections or events attended by a Councillor or member of a delegated committee in an official capacity, together with the associated research, discussions and communication.

5. ALLOWANCES FOR MAYORS AND COUNCILLORS

The Victorian Government views Councillor allowances ‘not as a form of salary, but as some recognition of the contributions made by those elected to voluntary, part time roles in the community’.

The Government acknowledges the value and significance of local government Councillors – both through their skills and ability to represent and engage with their constituents and their leadership in developing solutions to the pressing social and cultural, environmental and economic challenges facing communities everywhere.

Clause 39 of the *Local Government Act 2020* (the Act) provides the framework for payment of allowances to Mayors and Councillors.

The allowance framework provides a three-level structure for allowances based on Council population and total revenue. The allowance is reviewed annually through a Determination of the Victorian Independent Remuneration Tribunal under the *Victorian Independent Remuneration Tribunal and Improving Parliamentary Standards Act 2019*. In addition to the allowance, an amount equivalent to the superannuation guarantee contribution is payable.

Details of current allowances fixed for the Mayor and Councillors of Darebin City Council are available for public inspection on Council’s website and at the Council offices.

Allowances are taxable income and are paid fortnightly in advance. Personal taxation implications are the responsibility of individual Councillors.

6. RESOURCES AND FACILITIES FOR THE MAYOR AND COUNCILLORS

The following resources, facilities and support will be provided to Councillors to assist in performing their duties as a Councillor.

6.1 Home Office and Mobile Communications

All Councillors will be provided with information technology devices as deemed appropriate, including an internet data plan. Councillors will also be issued with a Darebin Council email address. Indicatively, the ICT resources that have been provided over the last 4 years have been:-

- Smart phone with voice and data service.
- A laptop / tablet unit with built-in data service and associated peripherals software (“Apps”).
- Both the mobile phone and the laptop/tablet have Mobile Device Management (MDM) to secure and manage the devices. This service incurs a monthly fee to Council.
- A multifunction printing, scanning, copying, fax device and all associated consumables, toners, paper etc.

The make, model and style of the ICT devices provided will be determined by the responsible Council Officer based on current telecommunications plans and offers available to Council and in consultation with the Councillor.

Rather than being issued a Council provided mobile phone (only), a Councillor may elect to use their own personal mobile phone and claim reimbursement of call charges associated with performing their duties as a Councillor.

All equipment remains the property of Darebin City Council and must be returned at the end of a Councillor’s term of office or, if requested , during leave of absence of a Councillor.

Data Costs

Council will meet the fixed charges of the smart phone and internet services. Council will also meet the call or data costs for these services incurred for duties as a Councillor.

Usage of all ICT devices will be restricted to the Councillor to whom they have been assigned and the assigned Councillor shall be responsible for all usage incurred on the devices. Councillors will take care to safeguard any personal or Council information stored on devices so as it cannot be accessed by other persons. All devices must be kept in secure locations when not in use.

Councillors may use Council provided devices for incidental private use. Incidental private use is defined as use that incurs costs of no more than 10% of the total monthly call and data costs.

Council will not provide or contribute to the costs of existing internet services or plans of a Councillor beyond what is set out in this policy.

Overseas Travel – Use of Equipment

Councillors must obtain written approval from the Chief Executive Officer prior to taking Council equipment on overseas travel

If approval is granted by the Chief Executive Officer, the Councillor must consult with the Manager Information & Communications to discuss the most effective travel packs to be purchased for work related usage. The co-ordination of access to international voice and data services and the cost of all calls and data usage related to overseas travel for personal reasons are the responsibility of the Councillor, not the organisation.

The Councillor will be responsible to ensure phone settings are adjusted to avoid unexpected call and data charges.

Replacement of Equipment

If any Council issued equipment needs to be replaced, for whatever reason, it shall be returned to the responsible Council Officer at the same time as the replacement equipment is issued.

Equipment Not Available for Sale

All/any equipment provided to Councillors will not be available for sale or transfer to Councillors at the cessation of the Councillors term of office.

6.2 Support (Help Desk and Training)

Support for Councillors to set up their Council provided ICT resources and day to day trouble shooting assistance is provided by Council's Information and Communications Help Desk Staff.

Requests for assistance shall be made directly to the Helpdesk on 8470 8811 or via helpdesk@darebin.vic.gov.au

Training in the use of IT and Communications resources provided to Councillors may be arranged on an as required basis at the Councillor's request.

6.3 Mayoral Vehicle / Transportation

The Mayor is expected to perform a range of additional duties during the course of the mayoral year. Council will support the Mayor of the day through the provision of a vehicle or through the reimbursement of Council business vehicular travel costs. This support will be provided on the following terms and conditions:-

1. The vehicle provided will be in accordance with the Council Vehicle Policy which for passenger vehicles specifies environmentally friendly vehicles (fully electric or hybrid) (see Note 1); or
2. The reimbursement of vehicle travel costs (i.e. submitted kms claims) to an amount not exceeding the annual cost of a Council provided vehicle.(see Note 2). Any such claims must be fully substantiated

The vehicle will be fitted with a hands free mobile telephone car kit and fleet card for fuel purchases.

Note 1 The use and provision of the vehicle will be in accordance with Council’s Vehicle Policy to the extent applicable, with full private use (and no driver contribution) and with the Mayor nominated as the assigned driver. The vehicle will be exempt from the car pool.

Note 2 The annual cost of an environmentally friendly vehicle will be determined annually by the officer responsible for Council’s Fleet and will represent the total annual operating cost for this vehicle.

A Council owned bicycle can be provided in lieu of a maintained vehicle. All Councillors may use Councils electric bike fleet based at the Preston Office.

6.4 Taxi / Ride Share

Where it is not possible or convenient to use public transport or a private motor vehicle, a taxi / ride share can be used by Councillors for travel required for their official duties as a Councillor. Councillors will be supplied, upon request, with a cab charge card or e-tickets. Travel of a private nature will not be reimbursed or paid by Council.

If a Councillor incurs costs for the use of a cab charge card or e-ticket in any month, they will be sent a copy of those charges along with a *Councillors Declaration of Cab Charge Use* form. The *Councillors Declaration of Cab Charge Use* form must be completed and returned to the Governance, Council Business and Civic Services Unit within 14 days of the account being sent.

Further, where a Councillor completes a *Councillors Declaration of Cab Charge Use* form and indicates that a charge/s was for personal use, an invoice shall be generated, and the Councillor shall pay the invoice within Council’s normal payment terms and conditions.

Failure to complete the *Councillors Declaration of Cab Charge Use* form or to pay an invoice within Council’s normal payment terms for personal use charges, will result in a Councillors access to the cab charge card or e-tickets being revoked. In such circumstances the Councillor will then be required to personally pay for the use of cabs and submit a claim for reimbursement of the charges upon the supply of evidence that the charge/s was / were incurred as a result of undertaking Council related business.

6.5 Substantial Private Use of Council Provided Resources

Substantial private use of resources and facilities by a Councillor must be declared by the Councillor and substantial private use must be reimbursed by the Councillor.

A “Declaration of Usage of Resources” statement will be prepared each quarter by the Governance, Council Business and Civic Services Unit which will specify the monthly cost of the Council provided mobile phone and internet data plan. Itemised accounts will be provided to each Councillor of their mobile phone and data accounts.

Each Councillor must inspect the “Declaration of Usage of Resources” statement, make an estimate of their private use, and declare that no more that 10% of the call charges of the Council provided mobile phone (up to a maximum monthly cost of \$20) is attributable to incidental private use and no more that 10% of the internet connection plan is attributable to private use (Note – Councillor internet plans are combined with the organisational global plans with the current monthly cost being \$20 per device / service).

If a Councillor discloses incidental private use of more than 10% (or in excess of the maximum monthly cost of \$20), this shall trigger a pro rata calculation of the private use. An invoice will be generated, and the Councillor must pay the invoice within Council's normal payment terms and conditions.

Example The monthly mobile phone account for Councillor X is \$300 and the internet data plan for the mobile phone and Council provided laptop are \$20 respectively. Councillor X examines the call charges and acknowledges that a series of lengthy calls they made to an ill family member overseas during the month totalled \$100. This is in excess of the allowable 10% incidental use i.e. \$30 and over the \$20 maximum incidental use threshold. Councillor X declares this on the Declaration of Usage of Resources" statement which triggers the raising of an invoice for \$80 that is send to Councillor X for payment.

7. REIMBURSEMENT OF EXPENSES

In line with the principles underlying this policy, the reimbursement of expenses incurred while performing duties as a Councillor shall be applied in a non-discriminatory way, recognising individual needs and circumstances and ensuring a Councillor is not financially or otherwise disadvantaged.

Councillors are entitled to be reimbursed for the following expenses while performing duties as a Councillor.

Carer expenses may consist of:-

- Childcare centre fees;
- Hourly fees;
- Agency booking fees (if claimed); and

Claims must be accompanied by a receipt from the care provider showing the date and time care was provided and details of the reason care was needed on each occasion. All claims shall be substantiated by an invoice or receipt or other relevant documentation provided by the caregiver.

Any claims for family care by a Councillor will be considered and have regard to the definitions and provisions of the Carers Recognition Act 2012.

Councillors may seek approval from the Chief Executive Officer to attend events when performing duties as a Councillor and have these costs paid for by Council or reimbursed, as outlined in Section 8.11. Such events must be directly related to the municipality and must not be events organised by political parties. If requested and approved by the Chief Executive Officer Council will fund the costs associated with the attendance of the Councillor's spouse / partner when they are accompanying the Councillor. The costs shall be specifically limited to the meal and or ticket associated with the relevant event.

7.5 Mobile Phone Reimbursement

Consistent with section 6.1, Councillors may choose to use their own mobile phone and seek a reimbursement of those costs. If a Councillor elects to do so, the Councillor shall submit their mobile phone account to the Governance, Council Business and Civic Services Unit and shall itemise the call and data charges that are attributable to performing their duties as a Councillor.

7.6 General Expenditure

General expenditure claims must relate directly to the performance of duties as a Councillor. General expenditure may include such expenses as the reasonable and minor purchase of refreshments (i.e. a coffee) car parking and public transport tickets. A claim for reimbursement of general expenditure requires evidence in the form of a tax invoice including name and address of the supplier and details of the goods or services supplied.

Public travel expenses incurred by Councillors in the course of official duties as a Councillor will be reimbursed.

7.8 Submitting Claims

8.10 Conferences and Training

The roles and responsibilities of Councillors are wide and varied. It is important that Council identifies the training needs of Councillors and ensures that they have access to ongoing training and professional development throughout their term.

The types of training and development activities and events at which Councillors seek approval to attend, should have a direct correlation to performing the role of Councillor. Such activities could involve seminars, conferences and more formal study courses.

Council will provide a maximum of \$7,000 per annum per Councillor for Training and Development activities (See Note 1). All approved costs related to training and development activities will be recorded against the Councillors' per term allowance.

Where it is understood that a Councillor training and development activity involves related costs such as accommodation, travel or other general costs, these should be identified by a Councillor when seeking authorisation from the Chief Executive Officer.

Note 1. The Chief Executive Officer may upon application consider approving Conference attendance training and development opportunities that exceeds the \$7000 per Councillor per annum threshold if the annual cost for the Councillor training and development is maintained within the adopted budget and the relevant Councillor(s) per term training and development budget is maintained within the established parameters.

- Training and development.
- Attendance at events when performing duties as a Councillor.
