AGENDA ITEM 5.1: CT202221 – CONSTRUCTION OF BILL LAWRY OVAL PAVILION

Resolution:

That Council:

- (1) Notes the significant financial pressures that it currently faces which are largely due to rising CPI and construction costs, interest rate rises, and the continuing impact of rates capping.
- (2) Declines to accept any tender offers received for construction of Bill Lawry Oval Pavilion (CT202221) because the prices were significantly over budget and requests the CEO to close the tender process.
- (3) Consider the redevelopment of the Bill Lawry Oval pavilion redevelopment as part of the 2023/2024 budget deliberations.
