NEW BEGINNING FOR INTERCULTURAL CENTRE

Darebin's diverse community will soon have a new shared space at Council's Preston offices.

The ground floor of the High Street offices are about to be transformed into an inclusive, shared staff-community space that will become the new home of the Darebin Intercultural Centre.

The move is part of Council's vision to transform its spaces into shared-use venues that embody a commitment to community partnerships, inclusion and connection.

The new Intercultural Centre will occupy a renovated section of the ground floor of the landmark Darebin building, with Council Chambers, meeting rooms and staff office space remaining on the building's first floor.

Council resolved in 2019 to relocate the Darebin Intercultural Centre from its current position at the former Preston Courthouse.

Throughout 2020-21, Council has worked with Sibling Architecture, Wurundjeri Woi Wurrung Cultural Heritage Aboriginal Corporation

and a Community Reference Group made up of community representatives from diverse groups across Darebin.

These groups provided advice to the architect on key design elements in the concept design phase.

This co-designed approach ensures the relocated Intercultural Centre will be welcoming, inclusive, culturally safe and fit-for-purpose.

The project includes external landscaping and design features that transform the external spaces with seating and program areas that deliver on the community's aspirations for the Centre over the longer term.

Construction is due to start in April, with a Wurundjeri Woi wurrung Smoking Ceremony planned to mark a significant moment of Council handing part of this Colonial structure back to community, for community. The new Intercultural Centre is scheduled for completion in late 2022.

Darebin City Council acknowledges the Wurundjeri Woi wurrung people who are the Traditional Owners of the land on which Darebin stands. We recognise their continuing connection to land, waters and culture. We pay our respects to Elders past, present and emerging.

MESSAGE FROM THE MAYOR

Thank you to all of you who attended our FUSE Festival events in March – it was great to be out and about and see many of you.

A highlight of every year is meeting our inspirational Darebin Community Award winners. A huge congratulations to this year’s community heroes, who exemplify the spirit and connection that makes Darebin so wonderful.

The fight to Protect Preston Market has again stepped up. Council’s number one priority is to represent and amplify the voices of our community. With the matter referred to a Standing Advisory Committee we are focused on maintaining the fight to stop the market from being demolished.

We are delighted to be opening Narrandjeri Stadium in April. This will be a fantastic new stadium for everyone, especially women and girls, to take part in sport and other activities and stay fit, healthy and active.

We are also so excited to begin works on a new Intercultural Centre. This will create an amazing new hub in our High Street Preston building for diverse communities to connect and hold events, programs and activities for our whole community to enjoy.

I also invite everyone to take part in the budget consultations to shape our commitments for the next 12 months. Community input is a big part of shaping our budget each year and consultation is open until 1 May.

There is so much great news to share in this DCN, so please enjoy.

GAME ON FOR NARRANDJERI

Sportspeople right across Darebin are thrilled to take to the court at the new Narrandjeri Stadium, which caters for netball, basketball, volleyball, badminton and other sports and activities.

Council’s investment in the \$34 million stadium, which takes its name from the Wurundjeri Woi wurrung word meaning ‘woman leader’, aims to get more people involved in sport and physical activity, particularly women and girls.

Julie Zucco from Darebin Netball Association is confident the new stadium will do just that.

“The look and feel of the building, the facilities and the meaning of the stadium name will help grow female participation; it will mean women and girls feel included and safe,” she said.

Fifteen-year-old netballer Maya encouraged people to get into sports and “just do it”.

“Sport has helped me with leadership skills, working as a team, social aspects, increased my fitness, and I have had opportunities to learn new skills like coaching and umpiring.”

Stadium operator Clublinks will roll out programs to engage diverse groups right across the community. So no matter what the sport, with Narrandjeri Stadium up and running, the health and wellbeing of people right across Darebin is set to be the winner.

保卫 PRESTON 集市

Preston 集市是我们社区的核心。我们深爱它的新鲜食品、深厚历史和勃勃生机。但这个富有特色的集市将面临不必要的拆除威胁。

今年2月，我们对审查Preston 集市的拟议规划条款的消息欢欣鼓舞。规划部长Richard Wynne 议员直接回应市议会和社区的夙求，要求对规划条款作出更改。

Wynne 先生在与广大社区密切交流后，对公众提交的大量意见和在市议会change.org网页上的请愿作出了回应，他告知戴尔滨市长Lina Messina他已指示维多利亚州规划局 (VPA) 和维多利亚州政府建筑师办公室共同修订该规划。

维多利亚州政府于3月发布了Preston 集市未来计划的修订稿，其中包括大大降低建筑物的高度和密度、针对开放空间的设计，以及改善步行道和骑行道网络。尽管有这些积极的改进，但在计划修订后，大约80%的集市建筑仍会被拆除，我们对此深感忧虑。

此事现已正式提交给常务咨询委员会。该委员会定于2022年5月9日举行听证会。去年向VPA公众咨询提交意见并于3月下旬注册的人士可以在听证会上提交意见。市议会也将提交意见，并就此据理力争。

Messina市长说：“市议会在保卫Preston集市的行动中代表并强化广大社区民众的心声，并且会继续这样做。”

Wonder World托儿所和幼儿园的孩子们在Preston 集市游玩。

Preston 的Wonder World 托儿所和幼儿园的孩子们最近曾去集市游玩，感受那里的情景和气息。他们特别喜欢探索各种各样的新鲜农产品，回去后还画出他们最喜爱的蔬果。

幼儿园小朋友Ned Henry说：“我爱Preston集市！”

“我和奶奶、爸爸来这里喝早茶。如果我们不能再来了，我会很难过。我们幼儿园的小朋友也很爱这个集市。”

爱Preston集市的不仅仅是Ned和他的小伙伴们，我们都爱它！

PROTECTING PRESTON MARKET

Preston Market is the heart of our community. We love it for its fresh food, rich history and vibrant atmosphere, but its unique features are under threat of unnecessary demolition.

In February we welcomed news the proposed planning provisions for the Preston Market were under review, with the Minister for Planning, the Honourable Richard Wynne MP, requesting the changes in direct response to Council and community's advocacy efforts.

Reacting to the volume of public submissions, Council's change.org petition and strong community engagement, Mr Wynne advised Darebin Mayor Cr Lina Messina he had directed the Victorian Planning Authority (VPA) to make revisions in collaboration with the Office of the Victorian Government Architect.

In March the Victorian Government released revised plans for the future of the Preston Market Precinct, including having 1,000 fewer apartments than first proposed, and design for open space and improved walking and cycling connections. While these are positive changes, we remain seriously concerned the revised plans will still result in around 80 per cent of the market being demolished.

The matter has now been referred formally to the Standing Advisory Committee, with the Committee hearings scheduled from 9 May 2022.

People who made a submission to the VPA's public consultation last year and registered in late March can make submissions at these hearings.

Local kindergarten kids enjoying a visit to Preston Market.

Council will make a submission and is preparing to put our case forward as strongly as possible.

"Council is here to represent and amplify the voices of our community in the fight to protect the market, and that's what we'll continue doing," Mayor Messina said.

Recently children from Wonder World Child Care and Kindergarten in Preston enjoyed an excursion to the market to soak up the sights, sounds and smells. The kids particularly loved exploring the amazing range of fresh produce and spent time drawing their favourite fruits and veggies after the trip.

"I love the market!" kindergartener Ned Henry said.

"I come here with my Nana and Pa for morning tea. I would be sad if we couldn't come anymore. My friends at kinder love the market too."

Ned and his friends are not alone, we all love the market!

INTRODUCING OUR COMMUNITY HEROES

Every year we honour the heroes in our community who make significant, meaningful contributions to the City of Darebin with the Community Awards.

This year's presentation took place as part of FUSE, our biannual arts festival, presided over by Darebin Mayor Cr Lina Messina and local paralympic gold medallist Carol Cook AM.

"It's a privilege to preside over these awards and acknowledge the many wonderful contributions individuals and groups make to enrich life in Darebin," Mayor Messina said.

"Through these awards we celebrate local heroes who have shown great leadership, compassion and kindness."

Due to COVID-19 our 2021 Community Awards were announced this year.

Congratulations to all our 2021 Community Award winners.

Citizen of the Year Sue Johnson

Sue Johnson is a composer, musician, musical director and educator. She has led community choirs and provided welcoming, inclusive spaces in Darebin for well over a decade. Sue has been a support and lifeline for many over the past two years, running five choirs during the Melbourne lockdowns.

Sue facilitates inspirational collective singing experiences across the community, most recently through Our Songs, a series of pop-up singing events across Darebin.

Citizen of the Year - Special Commendation Fiona Macrae

Fiona Macrae is founder and host of Private Parts, a web series and online community giving voice to people who experience chronic illness or disability.

Young Citizen of the Year Kalep Teokoitu

Kalep is part of the Decibels Youth Music program, where people aged 13-25 make and record music, learn skills and connect. As a resident young producer, Kalep mentors Decibels musicians, fine-tuning their music production skills and connecting with people while giving them opportunities. Kalep is an emerging leader and role model.

Community Group of the Year Alex Makes Meals

Alex Makes Meals is a charity group making and delivering high quality meals to young people facing homelessness and disadvantage across Melbourne.

Co-founded by Alex Dekker and Neraj Galagedara during the height of COVID-19 in early 2020, Alex Makes Meals now operates from Darebin Arts Centre. Driven by dedicated volunteers, it has delivered more than 400,000 hot, tasty meals to young people.

Community Group of the Year - Special Commendation

Your Community Health

Your Community Health has responded throughout COVID-19 to consistently support at-risk Darebin communities to maintain the best possible health and wellbeing, while delivering vital day-to-day services.

Sustainability Award Community Group

Friends of Edwardes Lake

Friends of Edwardes Lake is a group of volunteers dedicated to preserving, restoring and caring for the diverse ecosystems of Edwardes Lake and Edgar's Creek wetlands and surrounds.

The group gives the community the chance to restore and maintain the area's natural environment and enjoy nature while connecting with others.

Sustainability Award Individual Marcus Seal

As the owner of Darebin business Rock Posters, a printer and installer of street posters Australia-wide, Marcus Seal is transforming traditional practices to become more sustainable.

Through purchasing Australian made 100 per cent carbon neutral paper and recycling local office wastepaper destined for landfill, Marcus has offset more than 24 tonnes of greenhouse emissions.

Lifetime Achievement Award
Jon Hyde

Jon has been a fixture of the local sporting scene and involved with Holy Trinity Cricket Club for more than 50 years, including as a successful player, coach, committee member and board member of the North Metro Cricket Association.

Jon was instrumental in developing and implementing a junior program and Holy Trinity Cricket Club's first women's cricket program, which he continues to drive forward.

Culturally and Linguistically Diverse Elder Community Leader of the Year
Rosa Vasseghi

Rosa became a refugee after being imprisoned and tortured for following her Bahai faith in her home country of Iran. Rosa applied for refugee status, and arrived in Melbourne alone, without any English.

Going on to complete a Bachelor of International Community Development, in 2014 Rosa established 'Ava', the Iranian Women's Choir, welcoming asylum seekers and refugees. The group evolved to running tapestry workshops and opened its membership to all women experiencing social isolation. This has since grown to 10 tapestry groups running across Melbourne.

You can find out more about our Community Award winners at darebin.vic.gov.au/communityawards

Culturally and Linguistically Diverse Elder Community Leader of the Year - Special Commendation
Martin Nguyen

A valued member of the Decibels youth music community, Martin is a community leader, role model and emerging Elder.

Aboriginal and Torres Strait Islander Emerging Young Community Leader of the Year
Rose Stewart

Rose Stewart is a proud Taungurung and Gunditjmara woman studying Year 12 at Northcote High School.

A keen footballer and cricketer, Rose also works at Clothing The Gaps and The Koorie Circle, which she has helped grow to now have a storefront on High Street, Northcote. The community is incredibly proud of Rose. She is respectful and community-oriented, with a kind soul and a bright future.

Aboriginal and Torres Strait Islander Community Leader of the Year
Aunty Cindy Bux, awarded posthumously

Aunty Cindy has now passed and is resting in the Dreaming.

Vale Aunty Cindy Bux.
6 August 1961 – 17 December 2021.
A proud Wiradjuri and Yorta Yorta Aboriginal woman.

Aunty Cindy was the Programs Coordinator of Gurwidj Neighbourhood House, managed by the Aboriginal Advancement League.

Aunty Cindy was an esteemed and loved Elder who gave so much to her community. An artist, teacher, cultural educator and a leader in her faith, she was a strong, generous, loving, warm, funny, vibrant, creative woman who reached out and taught others to listen, respect and create honest and meaningful opportunities for First Nations women.

"If I can be a light to people, because it's a dark world out there, I will be a light."
- Aunty Cindy Bux.

EXPANDING OUR FOOD AND GARDEN WASTE SERVICE

About 22,000 Darebin residents will receive new food and garden waste bins this June and July.

The new delivery means all residents who use Council's kerbside waste services will be able to recycle their food scraps and garden waste.

This will help us divert more waste from landfill and turn valuable food and garden waste into compost for use on farms, parks and gardens across Victoria. It will also help save on waste costs if we can significantly reduce waste to landfill.

Most Darebin households already use this opt-in service and now it will become part of our standard kerbside collection service for all residents.

Darebin resident Louisa Lim is one of those already using the green food and garden waste bin.

"We find it easy to use the service. Between our worm farm and the food and garden waste bin, none of our food waste goes to landfill anymore," Louisa said.

As part of the expanded service, we are offering all residents a handy kitchen caddy. The 22,000 residents receiving a new bin will receive a kitchen caddy. Residents who already have a food and green waste bin can also order a caddy, with details on how to order kitchen caddies coming soon.

Our audits show almost half of what currently goes into residents' garbage bins is food waste. When food ends up in landfill, it has a huge environmental impact and financial cost.

The average Victorian household throws out \$2,200 worth of food each year - that's \$42 per week!

Composting, worm farms and chickens are all great ways to recycle food waste, as well as using your green bin.

Check out lovefoodhatewaste.vic.gov.au for tips on how to reduce food waste.

DRAFT BUDGET 2022/23 (INCORPORATING THE 4-YEAR BUDGET)

Our Draft Budget 2022/23 is focused on supporting our community and making the lives of those who live, work and play in Darebin better.

It will fund the key initiatives of the second year of our Council Plan 2021-2025 and future years of the Council Plan.

We are allocating \$198.3 million to deliver more than 100 services to our community, and building on our significant investment in capital works in the current year, we will be investing a further \$65.7 million to build, maintain and enhance our important community infrastructure.

You can now tell us what is important to you, what we should prioritise and how our Draft Budget 2022/23 can meet your needs and expectations.

We'd like to hear your thoughts on the following:

- Draft Budget 2022/23 (incorporating the 4-year Budget)
- Draft Revenue and Rating Plan
- Draft Rates Financial Hardship Policy
- Declaration of the public waste service rate and service charge for kerbside collection
- Declaration of concessions aligned to equity measures to support ratepayers with the above change
- Declaration of a Pensioner Rebate for general rates
- Declaration of a special charge for the Reservoir Village Business District
- Declaration of a concession for affordable housing properties owned and managed by Aboriginal Housing Victoria
- Declaration of the public waste service rate and service charge for kerbside collection.

Changing the way we deliver our waste services

From July, we're rolling out a food and green waste recycling service to all eligible households in Darebin. This means that if your household receives Council's kerbside waste service and you don't already have a green-lidded bin, we will deliver one to you between June and July this year.

Introducing this service is in line with the State Government's overhaul of household recycling to reduce waste, increase recycling and create a circular economy to make the most of our resources.

Implementing these changes, along with the State Government's decision to increase the landfill levy, will leave Council with an estimated shortfall of \$26 million over 10 years and increase costs above what Council can recover through rates.

This means we need to change the way we charge for waste.

We are joining the vast majority of Victorian councils who have already introduced a separate waste charge.

From 1 July 2022 the following charges will appear as separate items on rates notices, including any applicable concessions:

- A kerbside waste fee for your bin collection and waste processing
- A public waste rate to pay for street cleaning, dumped rubbish collection and public litter bins.

The kerbside waste fee will only apply to ratepayers receiving waste collection services. All ratepayers will pay the public waste charge.

We're supporting financially disadvantaged households by including a range of concessions to make the change fairer for lower value property owners, as well as introducing the hardship safety net. A pensioner rebate will be applied to support our pensioners.

If we do not implement this waste charge now, there will be cuts to other important community services such as libraries, aged care and children's services.

It's a hard decision but we are addressing this now - in a timely, transparent and financially responsible manner - to meet the future needs of our growing community.

Visit yoursay.darebin.vic.gov.au/budget2022-23 to have your say by 1 May 2022 via the online form, or in writing at Darebin Civic Centre, 274 Gower Street, Preston by 5pm on Friday 29 April 2022.

BE TRAVELSMART THIS AUTUMN

It's never been easier or safer to get around Darebin on two wheels!

Our brand new TravelSmart map is out now – a one-stop-shop for getting around Darebin safely and sustainably.

The pocket-size map, supported by Melway data, features off-road shared paths for walking and riding in Darebin, as well as on-road bike lanes, informal bike routes, walking tracks and paths and public transport routes.

It also includes our 'Shimmy' backstreet bike routes, bike repair stations, school crossings, bus stops and drinking fountains.

Local Nell Sudano is a huge advocate of the TravelSmart map and has a good eye for transport after driving Darebin's community bus for many years. When she moved to Melbourne from Sydney 15 years ago, she was wary at first to get on a bike.

"In Sydney, there were a lot of roads not built for bikes, so I got out of the habit of riding mine," Nell said.

"By chance a friend lent me a bike when I moved to Darebin...I soon became convinced that bikes were and are the best form of transport."

Nell joined WeCycle – a community initiative that recycles bikes for people who otherwise couldn't afford them – and helps to restore bikes and encourage others to participate.

"I found a great community who really wanted to help others with an inexpensive mode of transport that would provide freedom and help the environment at the same time," she said.

Nell now has a fold-up bike to get around Darebin – using the TravelSmart map of course!

"The map is the perfect size and I really do rely on it. I love pulling it out and finding a safe road that can help me with my position and roundabouts."

Nell Sudano takes a ride down one of our Shimmy backstreet routes.

FUNDING FOR THE FUTURE

From sparkling community hubs to clear running drains, a growing community needs its infrastructure kept in top working order.

With our latest analysis showing Darebin's population is expected to grow about 30 per cent over the next 20 years, accommodating 52,000 more people, we need to set ourselves up to maintain essential infrastructure, well into the future.

Our new Development Contributions Plan will help us do this.

Adopted in February, it requires developments bringing new residents and workers into Darebin to pay their fair share to help fund the infrastructure our local community needs.

Upgrades for specific listed items including community centres, pavilion redevelopments, lighting upgrades, roads, cycle paths, footpaths and drains will be eligible for funding. It's estimated over the next 20 years the Development Contributions Plan will contribute \$28 million to about 70 projects.

It's a sustainable way to support our growing population.

Planning Scheme Amendment C170dare will now be considered for approval by the Minister for Planning as the final step in the planning scheme amendment process.

DAREBIN LIGHTS UP FOR INTERNATIONAL DAY OF PEOPLE WITH DISABILITY

Two Darebin landmarks were brightly coloured in a spectacular 'light-up' to celebrate International Day of People with Disability (IDPwD).

The spectacular light-up of Council's Preston offices and Northcote Town Hall, in IDPwD colours of orange, blue and green, was prepared by a group of women with disability who took part in Darebin's You Am I work experience program.

Running in its second year, as part of You Am I five women with disability worked with two officers from Council's Access and Inclusion team over 12 weeks to produce the IDPwD event and a beautiful celebratory booklet.

The women gained valuable workplace skills in online collaboration, event management and co-design.

"The program really was wonderfully run and has positively impacted the way I view myself and others in a team environment and reinforced the value of amplifying lived experience," participant Jess said.

"I have worked in different jobs and study environments and I've never experienced something that has been so accessible."

To keep up-to-date with access and inclusion initiatives in Darebin, or subscribe to the Darebin Disability Access Update e-newsletter, head to the People with Disability web page: www.darebin.vic.gov.au/disability

LOVE LOCAL CARD

Do you have a Love Local Card at home or in your wallet waiting to be spent? Time to dust it off and head to your local shops today, before all cards expire on 31 May.

Darebin Council launched the Love Local Card as part of our ongoing effort to support the community through the COVID-19 pandemic. Through the initiative we gave \$30 and \$50 pre-paid cards to Darebin homeowners and Jobseekers to spend at hundreds of registered local small businesses.

Peter Folino of Folino's Quality Meats in Reservoir said the Love Local Card has been great for his business, which has been trading for 20 years.

"We've had a lot of new faces come in because of the Love Local Cards, which has been good. And a couple have now turned out to be regulars," Peter said.
