

Good Access Is Good Business

Cafés and restaurants

Use the following Checklist to assess how accessible your café or restaurant is. This will help you meet your legal responsibilities under the Disability Discrimination Act 1992. For a more detailed checklist go to the City of Darebin Good Access is Good Business Handbook for Cafes and Restaurants at www.darebin.vic.gov.au

Does your café or restaurant have?

Access to the building / premises

- o accessible parking and public transport close by
- o parking areas for motorised scooters and wheelchairs
- o footpath that allows a 1.8-meter-wide pathway for pedestrians
(See *Darebins Footpath Trading Policy*)
- o protection from wind, rain, and noise in outdoor areas
- o step free access
- o wide, self-opening, or easy to see and open doors
- o handrails on stairs and ramps
- o contrasting edges on stairs
- o tactile tiles prior to stairs and ramps
- o low height, 'clutter free' service counter/s and displays
- o seating with backs and armrests
- o an appropriate acoustic environment to reduce background noise

Moving around the premises

- o wide, clear internal walkways between furniture for a person using a wheelchair, walking frame, or stroller
- o low pile carpet or slip resistant floor
- o suitable height and space at tables for people using wheelchairs or with assistance animals (e.g., guide or hearing dog)

Accessible amenities

- o a unisex accessible toilet with an 'access sign'
- o an all gender toilet
- o an accessible baby change area and a baby-feeding space
- o recharge power point for people to charge electric wheelchairs and scooters

Accessible information

- o information about services for people with access needs
e.g. availability of lift or an accessible toilet
- o emergency procedures for people with disabilities
- o an accessible website and social media pages with information about services
- o hearing loops at service counters and in function areas
- o alternatives to any audible announcements e.g., visible display
- o availability of an SMS contact number and for onsite communication
- o Hearing Awareness card on service counters
- o large print table numbers
- o clear, easy to read menus in large print (18-point font, Arial)
- o large print, raised tactile and Braille signage
- o an 'assistance animals welcome' sticker at entry
- o Braille next to lift buttons and audible information in lifts

Staff and Service

- o friendly, helpful staff trained in access awareness
- o staff available to assist in self service areas
- o home and motel delivery service
- o staff available to read menus for customers if required
- o staff with basic sign language skills
- o pen and paper or text/chat functions for exchanging information
- o staff who know the laws about assistance animals
