**RE: ALLEGED BARKING DOG NOISE NUISANCE – DIARY PACK 3**

Council is currently investigating a noise nuisance complaint reported by you on (Date)

As per the information pack provided to you when your complaint was lodged, Council requires at least three diaries during the investigation process. Below are the actions that the Investigating Officer has taken in relation to your request:

- A Council Officer has issued the dog owner a Notice to Comply.
- The Notice to Comply outlines their obligations to not allow a nuisance to occur.
- The Notice to Comply outlines the action Council may take against them should they ignore the Notice.

Please find enclosed **Diary Log 3** for you to complete and return to Council for follow up.

**Diary 3**

- The third diary is to establish that the dog owner has failed to comply with the Notice to Comply issued by Council and the nuisance barking is still occurring.
- This diary will trigger enforcement action and may result in fines being issued or an immediate progression to Court.
- Please ensure that as much detail as possible is included in this diary.
- Once the investigating Officer receives your returned diaries you will be contacted to discuss them further and the next step in the process.

Should you not wish to follow the above process please contact the Local Laws/Animal Management Department on 8470-8888 to discuss your options.

Please send the completed diary to:

City of Darebin  
Animal Management Unit  
PO Box 91

## How to Complete a Barking Dog Diary

Your accuracy in recording the nuisance barking is of extreme importance as it may be presented as evidence in Court.

Please create a detailed diary **over a 10 day period** as the example indicated below and attach the diary to the Barking Dog Complaint Form.

Completed form **must** be returned to Council within 7 days of the last date recorded or Council cannot take action and another diary set will need to be completed.

### EXAMPLE DIARY ENTRIES (C) Continuous (I) Intermittent

Date	Time barking started	Time Barking stopped	Type of Barking How many barks and what type (C) or (I)	Reason for barking (Person walking past, another animal, weather, etc) <i>(examples)</i>	Noise How does the noise affect you <i>(examples)</i>
