

Darebin City Council

Window cleaning and gutter clearing subsidy program

the place
to live

What is it?

The program is a way for Council to help people living in Darebin pay the cost of window cleaning and gutter clearing.

How does it work?

At Council, we do not do this work ourselves. You will need to:

1. Choose a business that you would like to do the work for you.
This can **only** be gutter clearing and/or window cleaning.
2. Pay the business the full amount for the work.
3. Keep a tax invoice/receipt to show that you paid the full amount.
4. Fill out the form below, attach invoice/receipt, and send it to: Supported and Connected Living, PO Box 91, Preston Vic 3072 or email initialenquiriesinbox@darebin.vic.gov.au

We will pay you back **half** of the cost of the work, up to a total of \$120.00, once per year.

Who is it for?

This program is for residents of Darebin who:

- Are aged over 65 years (or over 50 years for Aboriginal and Torres Strait Islander people)
- Get support from, or are eligible for the Commonwealth Home Support Program, and have an Aged Care (AC) number
- Are under 65 years and get support from, or are eligible for Home & Community Care Program for Younger People (HACCPYP)
- Do not get other Government funded supports for living at home.

What work will it cover?

Council will only pay part of the cost for:

- Gutter clearing, and/or
- Window cleaning

How often can you get a voucher?

A household can only make **one** claim per year and cannot split the \$120.00 value over more than **one** claim. This means you will need to choose **either** gutter clearing **or** window cleaning, **or** both at the same time (up to \$120).

Can your claim be turned down?

Council can turn down your claim if:

- You have made a claim in the past twelve months, or
- Your tax invoice/receipt or your form are incomplete, incorrect or not eligible.

If your claim is turned down, we will call you to try and sort it out. If we cannot sort it out and your claim is turned down, we will send you a letter to let you know why.

Who can you get to do this work?

It is your choice. We cannot recommend or endorse any businesses. Whichever business you choose, you will need to make sure that they can give you a **Tax Invoice/Receipt**.

The Tax Invoice/Receipt must **clearly show**:

- Name of business
- Australian Business Number (ABN)
- Business contact details and address
- Itemised work completed
- Address where the work was done, and resident name
- Date the work was done
- Acknowledgement that the cost of the work has been **paid in full**

What if you are not happy with the work?

You are responsible for choosing the business you would like to do the work for you.

Council is not responsible for this, and we are not able to get involved in:

- Who you choose
- How and when the work is done
- Whether the work meets your needs

What happens after you send us your form?

If everything is ok with your form, we will pay you back **half** of the cost of the work, up to a total of \$120.00, once per year.

We will do this via the option you choose on your form. This will take up to one month.

Do you have questions?

Call the Darebin Council Aged and Disability Department on **8470 8828**. We will do our best to answer your question.
