Swim School Information

Infants, Pre-School and School Age

Reservoir Leisure Centre has partnered with Royal Life Saving Victoria to provide our community with the Swim and Survive Program. The Swim and Survive Program is aligned with the National Swimming and Water Safety framework and is a comprehensive swimming and water safety initiative that seeks to increase the swimming and water safety skills of all members within the community. Each level within the program is structured into skill strands that ensure a balanced, comprehensive instructional approach to everyone's aquatic education.

Infant Classes (Parent Child)

(6-36 months)

A water familiarisation program for parents and their children aged 6 to 36 months.

Pre-School

(3-5 years)

A program that builds water confidence for preschool aged children between the ages of 3-5 years.

School Age

(5-14 years)

A swimming and water safety program for school aged children between the ages of 5-14 years.

Adult & Teenage Swimming Lessons

You are never too old to learn!

Our program offers teenage & adult classes for all levels, from non-swimmers through to those looking for technique refinement.
