SUPPORTING DOCUMENTATION CHECKLIST

The following supporting information and documents must be submitted with your application.

Incomplete submissions may not be lodged or may result in delays in the assessment of the proposal.

1. Completed and signed **Application Form**
2. Current copy of the **Title and Title Plan** (issued within 90 days) and inclusive of any covenants or agreements listed on the title search.
3. **Written statement from the applicant** describing the proposal. The submission must outline the proposed variations, explain why the proposal could not be designed to comply with Part 5 of the Building Regulations and **address the criteria under the Minister's Guidelines MG-12 relevant to each regulation**. A copy of the Minister Guidelines MG-12 can be obtained on the Victorian Building Authority website [VBA \(MG-12\)](#)
4. **Written statement from the Relevant Building Surveyor** confirming the siting matters that do not comply with Part 5 of the Building Regulations, and for which a report and consent are required.
5. **Architectural Drawings** (site plan, floor plans, elevations) of the proposal. Plans must be drawn to scale and show, as required:
 - a) the subject site and the adjoining allotments.
 - b) the proposed buildings with annotated dimensions.
 - c) the existing buildings on the site and the adjoining allotments.
 - d) the location of habitable room windows, and private open space.
 - e) shadow diagrams and overlooking diagrams.
 Plans must clearly indicate the extent of the non-compliant siting matter through the use of colours, hatches, or annotations.
6. **Written comments from the affected Property Owners** confirming they have sighted the plans, understand the proposal and either support or object to the proposed variations. You may use this [Approved Form](#) to obtain the neighbour's comments.
7. Where an application relates to building work already carried out, provide a copy of the Enforcement Action issued by the RBS.

IMPORTANT INFORMATION

Application Process

An incomplete application or an application without the required fee will not be registered as received by Council and will be returned to the applicant. Further information may be requested after initial assessment of the application. Lack of information is likely to result in delays. Failure to provide the additional requested information will result in cancellation of the application. Council will make all endeavours to process an application within fifteen working days.

Minister's Guidelines Considerations

Pursuant to Schedule 2 Clause 4A(2)(d) of the Building Act 1993, Council must have regard to a guideline issued under Section 188A of the Building Act 1993 – Minister's Guidelines MG-12, when considering an application. Council must refuse to give consent to an application if the application does not comply with any matter set out in those guidelines.

Adjoining Property Owners Notification (Advertising)

Pursuant to Schedule 2 Clause 4A (2)(b) of the Building Act 1993, if Council believes that the application may result in a nearby allotment suffering detriment, it must give the owner of the allotment an opportunity to make a submission in respect of the possible detriment. Please note that if the applicant provides adjoining property owners' comments, but Council is not satisfied that the relevant property owners have sighted and understood the proposed variations, Council may still need to notify (advertise) the proposal to them.

If an application requires notification to the neighbours, please allow additional fifteen days for processing of the application.

Refunds

Council will only refund fees for a report and consent application where a determination has not been issued. If you wish to withdraw an application, you must make a writing request prior to a decision of the application being made.

Council will provide you with a refund after the following amounts have been deducted:

- A \$155 administration fee for the cancellation of the application.
- An amount calculated at the rate of \$85.00 per hour or part thereof for time spent on the application.
- Any external expenses incurred in processing the application, including external consultants' fees and any other statutory fees.

Privacy Collection Statement

Council is committed to protecting an individual's right to privacy as part of its commitment towards accountability, integrity and compliance with privacy legislation.

You can view our Building Services Privacy Statement under the 'Building Services' tab at <https://www.darebin.vic.gov.au/Privacy-Statement> or ask us for a copy.

APPLICANT DECLARATION

I declare that I have provided the documents required for an application for a report and consent in accordance with Schedule 2 of the Building Act 1993, and that the information contained within is true and correct.
